MATTERS AT OLD FORGE.

A Breezy Batch of Localities from a Live Correspondent.

Special to the Scranton Tribune.

OLD FORGE, Pa., Feb. 12.—Wallace Ormiston made a trip to the Electric City today.

Richard Joyce is visiting friends in Wilkes-Barre.

Jacob Krosche, of Scranton, always a welcome visitor, has been spending three days with us making the Ace hotel, Sibley, conducted by John Richey, his home. He says that though times are slack he has no reason to complain, as people will buy his watches and jewelry. Having been so many years on the road he is known wherever he goes.

William Surpales is a very genial gentleman, and will attract many others besides his own countrymen to his house, the Sweetville inn, Barbertown. He has an excellent acquaintance with the English language, and has become thoroughly Americanized.

J. D. Williams, in his way, is a philanthropist, he has started what is most unique in this valley, a temperance house, at Rendham, where from 7 a.m. to 9 p.m. anyone can get a good meal at a moderate price. He deserves to be mentioned for his pluck and foresight, and he, with his worthy and estimable wife, should meet with success in this praiseworthy venture.

The Pennsylvania Coal mines have shut down until further orders. Many Old Forge residents are employed there, and this, we are sorry to say, adds to the distress that is already too palpable.

The snow came in earnest just before noon, and at this time of writing it is deep enough for good sleighing.

New features and improvements for the reception of his guests are made by C. J. Fallon, Old Forge Hotel, and none who go there will return disappointed. Liberal, generous and courteous, he will enhance his already good reputation and his public standing.

Robert Trotter, of Jermyn, won the three mains at the Sibley, stakes \$75; one of our well-known young men, Willie Ray, landed \$25 on the event by letting on the right side. With the exception of P. Jenkins, these gentlemen are prepared to make a match with any one in Lackawanna county for \$75 or \$100, and fight either five or nine mains.

Mrs. Morgan J. Harris, of Taylor, is visiting her sister, Mrs. Thomas, at Barbertown.

WERE THIRSTY ROBBERS.

Unknown Thieves Seize Whiskey Stored in a D. and H. Station.

Special to the Scranton Tribune.

The Ontario and Western ticket and freight offices were broken into Sunday night. A case containing whiskey was opened and a few bottles taken. A number of boxes and packages were examined, but nothing else seems to be missing.

There is no clue to the robbers.

Mrs. M. Schaeffer, Beaver Dam, Wis., writes: "We have used Dr. Thomas' Electric Oil in our family for Coughs, Colds, Croup and Rheumatism. It cures every time."

Dyspepsia and Indigestion

In their worst forms are cured by the use of P. P. P. If you are debilitated and run down, or if you need a tonic to regain flesh and lost appetite, strength and vigor, take P. P. P. and you will be strong and healthy. For shattered constitutions and lost manhood P. P. P. (Pills, Ash, Root and Potassium) is the king of all medicines. P. P. P. is the greatest blood purifier in the world. For sale by all druggists.

Should G. A. Growapack in Scranton between now and election day he would be sure of a large number of voters from this place. The old soldiers have not forgotten the address delivered here at the time of the seven county reunion, and it will be a pleasure for them to vote for one who will oppose the policy of the present administration, which seems to be against any man who fights for his country. Truly, the south is in the saddle.

Mr. and Mrs. J. G. Shepherd and Mr. and Mrs. John Mellon, Jr., spent Sunday in Scranton.

This association is doing much good, being very strong financially; much interest is taken by the members. William H. Linty is the secretary and George Pender president.

The Citizens' band talk of buying the Salvation Army barracks on Second street. The property is to be sold to satisfy the claims of numerous creditors.

The Jermyn Press is informed that a be made this summer to utilize the coffin factory building for some other industry. A factory would be a blessing to our town and however small would be helped financially, but with seventy per cent. of the mills and factories in this country closed, 2,000,000 people depending on them out of work, free trade staring us in the face it does not look very encouraging.

John Roberts, of Third street, who has been very ill, being unconscious for a number of days, is improving slowly.

H. A. Willman has been appointed executor of the estate of the late Joseph Lepp.

A disgraceful fight took place near the Delaware and Hudson depot Saturday night, several of the participants being badly used up.

The Hillsdale Coal and Iron company will pay their employees their monthly wages tomorrow.

PRICEBURG POINTS.

An Error Corrected—A Sluggish Board of Health—Personal Notes.

Special to the Scranton Tribune.

PRICEBURG, Pa., Feb. 12.—In justice to our borough and also to its dispenser of law, we would like to correct a statement that appeared in THE TRIBUNE of last Saturday. The article referred to is the boy Frank Pavlosky being committed to the county jail by Justice of the Peace Lloyd, of Priceburg. Now the facts are, there is no justice named Lloyd in Priceburg. Our "quiere's" name is Logan and anybody not reading the article throughout would perhaps be confounded in the names of the two gentlemen and read Logan instead of Lloyd, thinking it was a misprint. Our justice would most likely discharge the boy.

John Gilligan, whom we are happy to report as having entirely recovered from his recent serious illness, was board room guest of his parents in Scranton on Sunday.

An old country tea party will be held at the home of W. W. Williams, of Main street, on Monday, Feb. 19.

P. F. Knight, a young and progressive business man of Providence, called on friends here last Saturday.

Miss Nellie McCall, of Honesdale, is visiting friends in town.

E. T. Merriam, T. M. Early and D. H. Williams, of Scranton, registered at the Central on Saturday.

This is an age of progress and every patriotic citizen ought to do something towards the welfare of the country.

Although Priceburg may be behind in some things, we are right in it when it comes to increasing the population.

For our size there is no town in the county can toe the mark with us in this respect. The following tells the story:

Boys: Mr. and Mrs. Dr. J. J. Edinger, on Friday, a girl; to Mr. and Mrs. John A. Marby, of Main street, a girl; to Mr. and Mrs. Hiram Smith, a boy. There has also been an increase in the family of Mr. Samuel Norris. How is that for progressiveness?

The electric cars are all blocked up at this section.

Pay day at Storr's mines tomorrow, Tuesday.

A large retriever dog was killed by the electric cars opposite Jermyn's store on Friday last, and to the credit of the board of health, if any such board exists in the borough, the carcass remained on our Main street until Monday afternoon, when it was removed. It is time our high constable woke up.

A Joke that Never Dies.

Chicago Inter-Ocean.

"Yes, he's a good man; but I saw him stoop to a very small thing at the church social."

"What was that?"

"Fins an oyster out of his soup."

Has Faith in the Method.

Syracuse Journal.

Mrs. Chatter—Do you believe that cures can be effected by laying on of the hands?

Mrs. Chatter—Most certainly. I cured my boy of smoking in just this way.

"Bad Spells" with the Heart Dizzy, Faint, in Despair

Hood's Sarsaparilla Cured.

"I have suffered very much during the past few years from

Heart Trouble

Physicians said I might live a number of years, might die any day. I could usually tell when the worst attacks were coming on by feeling a sharp pain in the heart, then violent thumping, shortness of breath, followed by a coldness coming all over me, then dizziness, faintness, and then, unless I could lie down at once I would fall wherever I was. I never dared to be left alone for I had to have help at once and that applied with vigor. I could not do any work, even to swallow food, and had to be careful of the least excitement. I got very much discouraged at the outlook and thought

There Was No Hope

Of ever finding anything to help me. One day a friend asked, 'Why don't you try Hood's Sarsaparilla?' I thought it over and decided to try it. I took it for a long time, and have every reason to believe that the above statement is true." E. & F. P. Stuckley, Pharmacist, 541 E. Thompson St., Philadelphia.
